

## Product Specifications Sheet

### 45 x 48 x 34 Collapsible Bulk Container - Solid Floor

The 45 x 48 x 34 collapsible bulk container, with a 1,500 lb.-capacity, is made from high-density polyethylene, and built for a long life and years of reliable service. This reusable container has two drop gates for easy access to contents. A pallet-style base offers 4-way forklift and pallet jack access for secure, efficient handling. It's stackable, easy to assemble and knock down. A 3:1 nesting ratio maximizes storage space and cuts return shipping costs. 100% recyclable, Black color. Optional lid.

## Special Features

**Solid Floor**

Solid floor provides a smooth, even load surface and ensures small parts are not lost

**Interlocking Walls**

Interlocking sidewalls at the corner of the container ensure high load capacity and stability

**Spring Loaded Latches**

Ergonomic spring loaded latches provide a quick and reliable locking mechanism for both access doors and collapsing sidewalls.

RPP Containers® warrants its containers for proper fit, form and function for a period of one year from date of shipment by RPP Containers. If within such period a container is proven to be defective in functionality from manufacturing defects, such product shall be repaired or replaced. This warranty does not include damage due to normal material handling methods (i.e., forklift damage etc.). Customer is responsible for all freight charges.
