

Product Specifications Sheet

45 x 48 x 34 Solid Floor Collapsible Bulk Container

The 45 x 48 x 34 2,500 lbs. capacity collapsible bulk container, made of high-density polyethylene, is built for long life and years of reliable service. This reusable container has two drop gates for easy access to contents. A pallet-style base offers 4-way forklift and pallet jack access for secure, efficient handling. Stackable, easy to assemble and knock down. 3:1 nesting ratio maximizes storage space and cuts return shipping costs. Ideal for a wide range of material handling tasks; shipping and storing components, materials, goods, and supplies. 100% recyclable, Black color. Optional lid.

Special Features

Fully Articulating Hinges

Fully articulating hinges on access doors allow the doors to open fully and lay flat against the container sidewall.

Solid Floor

A solid floor bottom ensures small parts will not be lost and provides a smooth and even load surface.

Corner Drain Holes

Drain holes strategically placed in the interior corners of this solid bottom container keep liquids from pooling.

RPP Containers® warrants its containers for proper fit, form and function for a period of one year from date of shipment by RPP Containers. If within such period a container is proven to be defective in functionality from manufacturing defects, such product shall be repaired or replaced. This warranty does not include damage due to normal material handling methods (i.e., forklift damage etc.). Customer is responsible for all freight charges.
