WireHider® Raceway

- ✓ **Constructed of UL94V-0 flame retardant PVC**
- ✓ **Available Cover Lids are optional**
- ✓ **4 foot and 6 foot lengths are available**
- ✓ **No hardware required, fast & easy installation**
- ✓ **UV Stabilizer to prevent color fading**
- ✓ **Cover Lids have a latex paintable PVC surface**
- ✓ **Solvent based adhesive tape for strong, secure installation**

The WireHider® Surface Mount Raceway was designed with both the professional and the DIY installer in mind. WireHider® was designed to eliminate the problem of hard to install locations where the cable has a tendency to fall out, especially on ceiling runs. This raceway duct speeds up installation by enabling you to simply push the cables into its flexible center slit and it allows you to exit anywhere along the run without the concern of the cable falling out.

Raceway On-A-Roll®

PULL! SNIP! SNAP!

- ✓ **Cut-to-Length Efficiency, fast & easy installation**
- ✓ **Compact Storage – 50 ft. or 100 ft. per Pull-Out Box**
- ✓ **Constructed of UL94V-0 flame retardant PVC**
- ✓ **Built with UV Stabilizer to prevent color fading**
- ✓ **Latex paintable PVC surface**
- ✓ **Solvent based adhesive tape for secure installation**
- ✓ **No waste, Use 100% of material**

Raceway On-A-Roll® is ideal for wiring security systems, telecom & datacom, and home theater installations. When pulled out of the box, Raceway On-A-Roll® is in its flat design, can be cut to exact size, and snaps together into a standard duct shape. The 1/2" and 1" Raceway On-A-Roll system is compatible with the accessory components of the WireHider System. It comes complete with a solvent based curing adhesive tape on the back for secure adhesion to the wall. It is an easy and efficient way to organize and conceal wires or cables of any kind. Packaged in a pizza box style dispenser its cut-to-length efficiency, provides 100% usable raceway.

Duct/PVC Cutting Tool

Heavy duty tool, Ideal for cutting
PVC Raceway or Latching Duct

Item #

TMS-2000

The WireHider® Latching Duct Raceway System is an economical alternative to many two-piece solutions. It is designed with a flexible living hinge allowing for multiple adds/moves/changes as your wiring requirements change. This Latching Duct system is compatible with the accessory components of the two-piece WireHider® System. It comes complete with a solvent based adhesive tape on the back for secure adhesion to the wall. It is easy to install, and it eliminates the need to stock both channel and cover lids as required by most two-piece systems.
