

Cable Assemblies

19 PIN ASSEMBLIES

Our 19 pin, (6) circuit extensions are designed for use within the theatrical/motion picture industries and are durable enough for the entertainment rental markets. Power Assemblies' PowerTEK™ lighting extensions incorporate industry leading connectors and flexible cable. Mate first, break last grounding facilitates safety and performance. Field replaceable locking rings enable easy replacement for your convenience. Regardless of application, Power Assemblies' PowerTEK™ lighting extensions have you covered.

PN	Type	Gauge	Amps	Voltage	Pins	Circuits	Length
