

Cable Assemblies

TYPE SC EXTENSIONS

Type SC Stage & Lighting cable extensions are used extensively in the entertainment industry. Power Assemblies manufactures all Type SC cable extensions in our Las Vegas, NV production facility. Every assembly 25' or longer comes complete with a double d-ring strap.

KEY FEATURES & BENEFITS

Hard-use Chlorinated Polyethylene (CPE) rubber single-pass thermoset jacket

NEMA 3R while connected

CPE provides greater abrasion and heat resistance over thermoplastic PPE/TPE jackets

RoHS Approved components

UL/CSA Listed connectors/plugs

UL/CSA Listed Type SC cable

APPLICATIONS

THEATER

MOTION PICTURES

LIGHT INDUSTRIAL

CONCERTS

GENERATOR CONNECTIONS

CONVENTION CENTERS

MOBILE/TEMPORARY POWER
