

# TYPE W EXTENSIONS

Heavy duty type W cable with CAM connectors

## OVERVIEW

Type W Extra-Hard-Use CAM Lock cable extensions are used extensively in the temporary power industry. These cables assemblies are made from UL listed components. Power Assemblies does one less cutback on the boot so that the cable is further inside the boot for a more durable assembly. Every assembly 25' or longer comes complete with a double d-ring strap.

## KEY FEATURES & BENEFITS

NEMA 3R while connected

Hard-use Chlorinated Polyethylene (CPE) rubber single-pass thermoset jacket

CPE provides greater abrasion and heat resistance over thermoplastic PPE/TPE jackets

UL/CSA Listed connectors/plugs & Type W cable

RoHS Approved components

EPR rubber insulation
